

Commercial Lines Coverage Specialist (CLCS) P&C Learning and Development

CLCS is one of the most complete professional training programs available for industry professionals seeking to master the subject of commercial lines coverage. These virtual preparation courses are designed to assist you in gaining the CLCS designation.

What's in it for you?

By partnering with National Underwriter, Nationwide provides insurance associates with the opportunity to take advantage of this comprehensive program at a discounted rate.

CLCS is available for industry professionals seeking to master the subject of commercial lines coverage. These training sessions will help prepare the participant for the following sections of the exam:

- Commercial General Liability
- Commercial Property
- Workers Compensation
- Business Auto

Course study materials are sent to you in advance to prepare. You have the option to use the provided books or e-learning modules. The Insurance Principles e-learning course and exam should be completed as pre-work before your virtual sessions begin.

Additional Benefit

Holders of the CLCS designation demonstrate advanced coverage expertise and knowledge in personal lines coverage areas.

Continuing Education credit may be available depending on your state.

Who May Attend?

Students who want to earn the CLCS designation (must pass each exam with a score of 70% or better).

Enrollment Details

Please be advised, the CLCS series of 4-virtual classes is subject to a nonrefundable \$450 per participant charge via commission deduction to the primary agency number (Agency) or charged to your disbursement code (internal Associate).

Property
